April-May, 2018 It's Time for the Spring Book Sale!

Members Only (presale): Friday, **April 20**, 4 - 7 p.m.

Public: Saturday, **April 21**, 10 a.m. - 4 p.m.

Sunday, **April 22** (bag day), 11 a.m. - 3 p.m.

It's time to restock your reading choices for those lazy summer days by the pool! As always, we have thousands of titles: fiction, nonfiction, children's and vintage, along with various nonbook items. We're sure you will find what you're looking for. Don't forget that children 12 and under always receive a free book.

As usual, the sale will be located in the McKee 4-H Building at The Ranch, (Larimer County Fairgrounds.) If you're not yet a member but want to take advantage of the Friday presale, you may purchase a membership at the door.

Every day is a bargain at the sale but bag day on Sunday is extra great! Fill a standard-size plastic grocery bag for only \$5 (vintage excluded). Larger bags and boxes are priced accordingly.

As always, we need lots of help beginning with set-up tasks at 12 p.m. on Wednesday all the way through tearing down the sale after it closes on Sunday at 3 p.m. The tasks vary widely and require differing amounts of physical activity. So, if you're interested in helping, we need you! You can volunteer on our website or by contacting our book sale volunteer coordinator Kathy Cisar at k_cisar@yahoo.com or (970) 593-0961 (Leave a message!)

We look forward to seeing you!

New Sorting Place Search

Did you see the terrific article in the Community Section of the March 4 Reporter-Herald? Be sure to check it out. The article provides an in-depth look at the vital function that the Sorting Place serves for the community along with these pictures of our volunteers who are hard at work finding us a new location.

You can access the article via the newspaper's archives: lovelandreporterherald.co.newsmemory.com. Simply hover your mouse at the top of the page to specify the date of the article (March 4) and the section of the paper where it is featured (Community).

Bob Burton, co-chairman of the Sorting Place left; Pam Teasdale, Lisa Blankenship, co-president of the Friends; and Kathy Keeler, chairwoman of the search committee.

Friends of the Loveland Public Library volunteers Grant Steffen, Lisa Blankenship and Pam Teasdale check books to categorize for the spring used book sale as they work at the Sorting Place, 1010 W. 10th St.

Readmore Selections

The Readmore Adult Book Groups meet on the first Tuesday of each month at 9 a.m. and at 6:30 p.m. and on the following Wednesday at 9 a.m. in the Erion Room. For questions, call Adult Services at 962-2402. Complete schedules are available at the Adult Services desk and are subject to change.

April 3 & 4 bring us a bit of timely social satire, laced with acid humor: *The Mandibles: A Family 2029 – 2047*, by Lionel Shriver. Having defaulted on its debts, the U.S. government prints money to cover its bills and the economy spirals toward disaster. The once-wealthy Mandibles must learn to cope and do so with varying degrees of success. Their future rides on the luck, greed, kindness and the inventiveness of the family's youngest member, a teenager named Willing.

On **May 1 & 2**, *Being Mortal: Medicine and What Matters in the End* by Atul Gawande presents the ultimate challenge of the medical profession: how to deal with the process of dying in a fulfilling, humane manner. The author-doctor presents a deeply considered combination of research and personal experience.

The library owns at least 10 copies of these titles and additional copies are available.

- The Library of Congress, founded in 1800, is the largest library in the world, with more than 155 million items on approximately 838 miles of bookshelves.
- Famous librarians throughout history include Mao Zedong, Golda Meir, Laura Bush, Marcel Proust, Lewis Carroll, Casanova, and Jorge Luis Borges.

National Library Week

(Continued from P. 3)

The National Library Week 2018 celebration marks the 60th anniversary of the first event, sponsored in 1958 when research showed that Americans were spending less on books and more on radios, televisions and musical instruments. With the cooperation of American Library Association, the first National Library Week was observed with the theme "Wake Up and Read!"

National Poetry Month

Established in 1996 by the Academy of American Poets, National Poetry Month is the largest literary celebration in the world. Celebrate locally with programs at the Library as well as at the Loveland Museum and Gallery. The Library will offer Poetry Reading: *Everyday Raptures* with Lisa Zimmerman on Friday, **April 6** at 7 p.m. On Saturday, **April 7** at 9:30 a.m. there will be a workshop *Odes, Elegies, and Raptures, Oh My!* presented by Lisa Zimmerman. Teens will celebrate International Haiku Poetry Day on Tuesday, **April 17** at 5 p.m.

Loveland National Poetry Month events are sponsored by the Northern Colorado Chapter of the Columbine Poets, the Metaphors, the Writing Lab, and the Friends of the Loveland Library.

Money Smart Week

Money Smart Week was started in 2001 to help consumers learn to better manage their personal finances. The week features presentations by community groups, financial institutions, government agencies, educational organizations, and financial experts. The Library's presentations are at 6 p.m.:

- Monday, **April 23**, *Climb out of Debt*. It is not about how much you make, it is how much you save!
- Tuesday, **April 23**, *Buying or Refinancing a Home*. Curious about home mortgages or refinancing an existing mortgage? This session will cover everything from checking your credit to being handed the keys.
- Wednesday, **April 25**, *Cashing in on Social Security*. Discover the different techniques to increasing your benefits while getting the inside scoop on how Social Security is determined and when to file.
- Thursday, **April 26**, *Options on Medicare*. Whether you are already enrolled or just starting, this informative session will help you learn more about the four parts to Medicare, Supplemental Insurance, and more.

Art in the Galleria

Look for new art in the Library Galleria beginning **April 2**. The Library is pleased to show only Colorado artists in its galleria showcases.

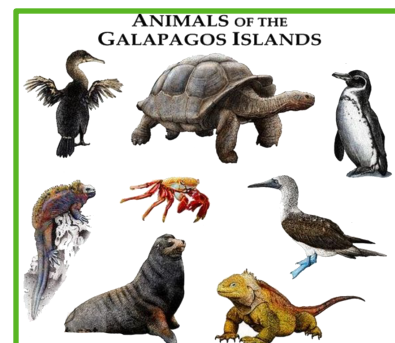

Rev. Martin Luther King, Jr. Lecture and Discussion Series with Dr. George Stevens

The series of programs on Martin Luther King, Jr. continues on Wednesday, **April 11** at 6 p.m. with a presentation by Dr. George Stevens of Loveland's Martin Luther King Committee. Dr. Stevens will share Dr. King's views of the Vietnam War at a time when our country was conflicted about the war. What were the human, political, economic and moral considerations he used to establish his position?

An Evening with a Storyteller

On **May 15** at 6:30 p.m., storyteller and photographer David Fanning will present *Tales of Adventure in the Galapagos Islands* at the Loveland Public Library. He will be joined by Carol Seemueller, science teacher. They will present an evening of wildlife, birds and adventure stories (including a murder!) from their 10-day cruise of the Galapagos Islands.

Buzzwords Book Group

The Library will be hosting its non-fiction book club, Buzzwords on the second Thursday of each month. Thursday, **April 12**, the discussion will center on *A First-Rate Madness* by Nassir Ghaemi. This New York Times bestseller is a myth-shattering exploration of the powerful connections between mental illness and leadership.

On Thursday, **May 10**, the book discussion will be *The Girl with the Lower Back Tattoo* by Amy Schumer. The author recalls stories from her past about her teenage years, her family, relationships and sex, and shares the experiences that have shaped who she is - a woman with the courage to bare her soul to stand up for what she believes in, all while making us laugh. All Buzzwords meetings are held at the Verboten Brewing Company at 6:30 p.m.

Symphony!

Music Presentation and Lecture Series

On Monday, **April 9** at 6:30 p.m., the Library Symphony series will look at Dvorak Symphony #8. This cheerful work adds piccolo and English horn to the usual instrumentation. The second movement brings to mind a calm summer day interrupted by a thunderstorm. This symphony will be performed by the Loveland Orchestra on April 27.

On Monday, **May 14** at 6:30 p.m., the discussion will focus on Beethoven's Symphony #9. This final work begins with drama and suspense and adds vocal soloists and chorus in the last movement singing the famous *Ode to Joy* theme.

Nature Programs

Kevin Cook

Kevin's 2018 programs - Searching for Life in Colorado, are presented the first Tuesday of each month at noon and the first Wednesday at 6 p.m. **April 3 & 4** Cook will discuss "Searching for Life as It Comes." **May 1 & 2** will be all about "Searching for Life in Spring." There will no longer be a 2 p.m. program on Tuesdays. **Please note:** The March program was cancelled and the make-up dates for "Searching for Life at Home" will be Tuesday, **April 17** at noon and Wednesday, **April 18** at 6 p.m.

Wandering Botanist

The **Wandering Botanist** visits the Library on Tuesday, **April 10** at noon to talk about "The Grasslands of Colorado." On **May 8** at noon, you can visit "Costa Rica," a small stable country in Central America that is about the size of West Virginia. Costa Rica has made ecotourism a priority and is an easy place to see diverse tropical plant communities and their animals.

Park Trails

Jim Found presents "Park Trails for Newcomers" at the Library on **April 17** at 6:30 p.m. Are you new to the area, or just want to know more about visiting Rocky Mountain National Park and the nearby open space areas? Have guests visiting Colorado? Jim will introduce his favorite spots for viewing scenery and taking short hikes. He presents a beginning look at the destinations, flowers, trees, and animals in Rocky Mountain National Park and along the road to it!
