Loveland Lights Ushers in the Holiday Season

Don't miss the annual Loveland Lights at the Library on Saturday, **December 3** (9 a.m.- 6 p.m.) and Sunday, **December 4** (1-5 p.m.)! The library will be decorated for the season with beautiful Christmas trees. Dancers and local musicians will provide festive music to set the holiday mood for a magical experience. There will be crafters selling holiday inspired gifts, a bake sale featuring delicious holiday sweets, and fun activities for the children, including the ever-popular gingerbread house workshop. The Friends are happy to be sponsoring this community event once again and we know you'll enjoy starting your holiday season with this treasured event. (See p. 7 for further information.)

December 6 - Colorado Gives Day

We are excited to announce that The Friends of the Loveland Library are now part of Colorado Gives Day. Colorado Gives Day is an annual statewide movement to celebrate and increase philanthropy in Colorado through online giving. For the sixth consecutive year, Community First Foundation and FirstBank are partnering to present Colorado Gives Day on Tuesday, **December 6**. Donations are accepted through ColoradoGives.org.

Community First Foundation and FirstBank each contributed \$500,000 to create a \$1 Million Incentive Fund. This fund increases the value of every donation proportionally.

(Continued on p. 2)

December 6 - Colorado Gives Day

(Continued from p. 1)

The Friends will receive a share of this \$1 million according to the percentage of the total amount given on Colorado Gives Day. If \$10,000 is donated to the Friends and the total amount given to all charities is \$10 million, we will receive an extra \$1,000. It's no wonder we're excited!

ColoradoGives.org is a year-round online giving website featuring more than 1,800 Colorado nonprofit organizations. It encourages year-round charitable giving by providing comprehensive, objective and up-to-date information about Colorado nonprofits and an easy way to support them online.

Please consider donating to the Friends on Colorado Gives Day, **December 6**, and encourage your friends, family and neighbors to do the same.

Another Successful Fall Book Sale

The October book sale was another rousing success! We displayed 54,000 books and had total sales exceeding \$30,000. We are grateful for our enthusiastic patrons, who formed lines that snaked around the building and bought books by the arm, box and bagful.

The book sale is only possible because of our faithful volunteers and we thank each and every one of them for their effort. Art Grotenhuis was the devoted chairperson of this sale and kept us all entertained with his creative announcements. Kathy Cisar did a great job as our new volunteer coordinator. She organized 142 volunteers who worked more than 1,100 hours over the three days of the sale.

We especially want to thank the eight volunteers from United Way Make a Difference Day program along with the volunteers from Schneider Electric who helped us during the set-up phase of this sale.

We hope all our members were able to take advantage of this great opportunity to fill their bookshelves on a budget. But, if you missed it, don't worry! We're already hard at work preparing for the next sale in April 2017. We're happy to report that Gary Rozum is taking the helm for the spring sale. See you there!

Volunteer Shout Out

Let's all give a shout out to our Treasurer, Jon Kindschy! Being the treasurer of an organization as complex as the Friends of Loveland Public Library is quite a job. Not only does Jon receive donations, pay bills and keep good records, but he also manages the annual budget. Behind the scenes the job requires paying sales taxes, and filing income taxes and annual reports needed to maintain our nonprofit status. Beyond that, Jon has provided a continuing series of great ideas to the Friends for organizing the book sales, identifying a system to manage the Friends' activities and revising membership levels. In September, we converted to our new system and Jon was instrumental in getting it launched. The Membership Committee has greatly benefitted from the new system. It has also vastly improved how we communicate with our members. We also have Jon to thank for the Friends being included in Colorado Gives Day this **December 6**. He is truly an outstanding and valuable member of the Friends.

Save the Date!

The next Annual Membership Meeting will be on **January 20** at the First United Methodist Church. A business meeting where we will approve the 2017 budget and elect new Board members will follow dinner and fellowship. Watch for your invitation in the mail.

Barnes and Noble Fundraiser

Once again, we will be wrapping gifts this holiday season at Barnes and Noble, 5835 Sky Pond Drive, Loveland. Be sure to shop from 11 a.m. - 7 p.m. **on December 21** and stop by the Friends table to have your treasures wrapped. All tips and donations will benefit the Loveland Public Library. We also need volunteers to help us wrap gifts. You can volunteer at friendsofthelovelandlibrary.org/volunteers.

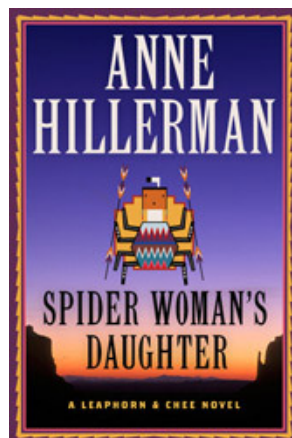

Loveland Loves to Read – Success in 2016; Excitement for 2017!

Loveland Loves to Read had another highly successful year with Kent Meyers and his award winning book *The Work of Wolves*. The Rialto Theater was near capacity on October 10, when Kent related his experiences as a writer, and how he combined his personal insights with stories told by his students and the Lakota Indians he encountered in South Dakota. Comments about Kent and his book were overwhelmingly positive. And those who attended his writing workshop the next morning were rewarded with his expert advice and encouragement for creative writing.

The committee would like to acknowledge and extend our thanks to all our generous sponsors, to Barbara Haynes of Book Haven, who couldn't reorder Kent Meyers' books fast enough, to Shelley Widhalm of the *Report Herald* for excellent coverage of our events and to all our faithful readers and attendees who assure us that appreciation for good books is always in mode.

Have you heard the good news for 2017? We are happy to announce that Anne Hillerman, daughter of Tony Hillerman, will be our Loveland Loves to Read featured author and reading friend during the third week in September, 2017. Anne is continuing the saga of mysteries her father began in 1970, with beloved characters Lt. Joe Leaphorn, Chee and Manuelito. Anne's first book in the continuing series is *Spider Woman's Daughter*, set in the Navajo Nation and in Santa Fe. Donors to the 2017 Loveland Loves to Read will receive an autographed copy of *Landscape: On the Road with Chee and Leaphorn*, written by both Tony and Anne, with photographs by Don Strel, Anne's husband. A new feature in 2017 will be a focus on learning about Southwest art, which will replace the typical writing workshop.

Watch for more details on the Friends' website and future issues of this newsletter.

Adult Book Discussions

The Adult Book Discussion Groups meet on the first Tuesday of the month at 9 a.m. and 6:30 p.m., and on the following Wednesday at 9 a.m. in the Erion Room. Please note that due to concerns about the availability of some of the groups' chosen titles, our schedule will change, beginning with the December meetings. Revised schedules are available at the Adult Services desk, 962-2402.

On **December 6, & December 7**, we will discuss Ivan Doig's *Last Bus to Wisdom*, the final gift from this great American storyteller. Young Donal Cameron runs out of relatives to raise him and goes on the road with "Herman the German," who is escaping his domineering wife. What follows is the story of their adventures.

Our **January 3 & 4** title is *The Storied Life of A. J. Fikry* by Gabrielle Zevin. It looks bad for A.J. and his little island bookstore; sales are down, his dearest rare book has been stolen and he retreats even further into his dreary, curmudgeonly self. Then a small package is delivered to his doorstep and all bets are off. "No man is an island; every book is a world."

Library News

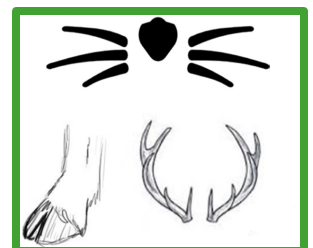

Teen Fandom Contest

Calling all nerdy, passionate geeks ages 11-17! Represent your fandom in any creative way you wish (write a story, draw a picture, decorate a cake, cosplay, etc.) and submit your creation by **November 30**. By entering, you can win nerdy prizes and your creation will be displayed in the teenzone for all to see! The Showcase where all entries are on exhibit is 4 - 6 p.m. on Friday, **December 9**.

Nature Programs

Kevin Cook's programs on **December 6 & 7** are titled "Whiskers, Hooves and Antlers: Everything about Mammals." The Tuesday programs are held at 12 noon and 2 p.m. The Wednesday program begins at 6 p.m. All are held in the Gertrude Scott Meeting Room and funded by the Friends of the Library. Kevin has not announced his 2017 theme but the programs will continue the same times **January 3 & 4**. For questions or additional information contact Bobbi Benesh at 962-2401 or at bobbi.benesh@cityofloveland.org.

Winter Reading Program

Join the Children's Division for a special Winter Reading Program kick-off event on Monday, **December 5** at the library, 4 - 5:30 p.m. Play hockey against Colorado Eagles players in the Library's Galleria and take photos with their mascot SlapShot. There will also be storytime with Eagles players and a photo booth. Three lucky kids will win tickets to the Eagles Cowbell Night on Friday, December 9.

To participate in this year's Winter Reading Program, play games and earn digital badges, sign up online beginning **December 1** at loveland.readsquared.com. Participants ages 5 - 17 begin reading on **December 5** and have 5 weeks to complete the reading goals. Prize drawings will be held **January 9**. Winners will receive two free tickets to the Colorado Eagles hockey game on January 20. One grand prize winner will receive 5 tickets to the Fanboni Game on February 24. All winners will be notified by phone and will have the opportunity to purchase additional tickets at a discounted price if desired.

Thank you to the generous sponsors who made this reading event possible: The Friends of the Loveland Public Library Foundation and the Colorado Eagles Organization.

A Passion for Photography

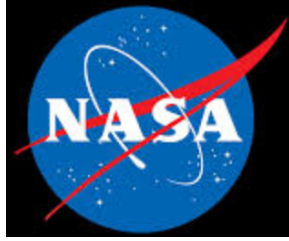

Michael Wilson from the Loveland Photographic Society will present a free photography workshop on Thursday, **December 8** from 6 - 8 p.m. Participants will learn more about digital cameras and how to improve their photographs from this award winning photographer. The session includes presentation, open discussion and a Q&A session. Another session will be held on Wednesday, **January 11**. 962-2401.

From Jumanji Through Star Wars

Ed Kramer will be sharing his passion and story about working in the computer generated imagery (CGI) industry in Hollywood. Kramer worked at Lucasfilm's Industrial Light + Magic (ILM) for 12 years as Senior Technical Director. He arrived in Los Angeles in 1980 when there were only four companies dabbling in computer graphics for movies. Kramer worked on particle lighting system software for the carnivorous scarabs in *The Mummy* and *The Mummy Returns* movies. In *Galaxy Quest*, he helped create software to auto-generate the correct trajectory of debris in a collision. Jar Jar Binks required new software to make his ears and clothes wrinkle with the character's movements. The water technology Ed helped create for *The Perfect Storm* was the genesis of what he later used in *Pirates of the Caribbean*. Join us 4:30 - 6 p.m. in the Gertrude Scott Room on Saturday, **December 10** as Ed shares his experience in Hollywood special effects. Light refreshments will be provided. 962-2402.

War Talks with Joe Bowden

The **December 13** session of War Talks is titled “NASA: Worth Every Cent” and begins at 6:30 p.m. There are few government departments that can claim the return from every dollar spent as much as NASA. This is a review of some of the major accomplishments of the unmanned space program. There have been spectacular failures but the successes have advanced our understanding of the universe and how we fit in it. 962-2401.

Wandering Botanist

On **December 14** at 12 noon, the Wandering Botanist will take us to Norway. On the west coast of Europe, Norway has rugged mountains and deep fjords but little arable land. Despite little arable land, Norway has rugged mountains and deep fjords and is a strikingly beautiful place. This presentation considers the climate, vegetation and history of Norway with special reference to the plants.

On **January 11** at 12 noon, the Wandering Botanist will visit Baja California. The Gulf of California in western Mexico lies amid some of the driest places in North and Central America. These deserts are very old, so they are home to many strange, drought-adapted plants. The blue waters of the Gulf host marvelous sea life from whales to manta rays. This talk highlights the biology of this exotic location just a short flight away. No registration is required. These programs are sponsored by the Friends of the Loveland Library. 962-2401.

Drive In Movies for Kids

Our ever-popular drive-in movie for kids returns on Friday **December 23**, 5 - 9 p.m. Bring a box to sit in and a shoebox for snacks. 5 - 6 p.m. is for decorating vehicles. Participants must arrive before 6 p.m. when the library closes to see the movie. The movie, *The BFG*, is rated PG and lasts 117 minutes. 962-2587.

Card & Coffee

Creative Paper Crafting comes to the library at 10 a.m. Saturday, **January 14**. Starting with a valentine, you will learn how to stamp, cut, emboss, and paint gorgeous greeting cards. January's theme focuses on creating a Valentine for that special person that can be mailed through Loveland's valentine remailing program. Registration is required. Call 630-901-6738 or 970-962-2401 to register. There will be a \$5 supply fee. Classes to continue monthly throughout 2017.

Need to Know: Tax Info

Tax season will soon be upon us. Gain valuable knowledge about preparing your own taxes, questions to ask when choosing a certified tax preparer and how to find the local IRS-certified FREE tax prep program. Learn how to maximize your refund, get all available tax credits, and what is new for this year's returns. Local CPAs and volunteers from VITA and AARP will teach this program on **January 17** at 6:30 p.m.

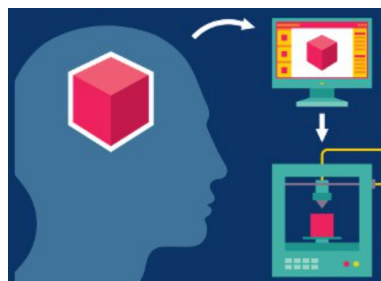

Contact Amanda Armstrong at 962-2759 or at Amanda.Armstrong@cityofloveland.org.

Non-fiction Book Club

This new book club will focus on great titles in the non-fiction area. Our first title is *A Burglar's Guide to the City* by Geoff Manaugh. Please join us at Grimm Brothers Brewing Company for lively discussion on **January 18** at 7 p.m. No purchase necessary and non-alcoholic beverages are available. For more information contact Amy Phillips at 962-2402 or at amy.phillips@cityofloveland.org.

Introduction To 3D Printing & Modeling

On Saturday, **January 28**, 9 a.m. - 12 noon, participants in this class will create a 3D model of a name tag and then print it to take home. Only basic PC skills are required. Prior experience in CAD software is not required. Learn the basics of CAD 3D model creation with Tinkercad. Learn basic safety, maintenance and operation skills to produce 3D prints on library's LulzBot 3D printers. This class is donated and led by skilled trainers from www.itworks3d.com. Class size is limited to 15 with a 3-person waitlist. Registration is at <https://3dprintpl.eventbrite.com>. 962-2402.

Buddy Reading

Buddy Reading is open for children ages 6 - 11 years to drop in on Mondays and Wednesdays, 4 - 5 p.m. in the Children's Division. Children can enjoy playing the Zirkel Reading Game with a trained Reading Buddy while practicing important reading skills and having a conversation about their reading. 962-2587.

Chess Club for Children

Children ages 6 - 11 years are invited to learn to play chess and improve their chess strategies at the Loveland Library Chess Club. Volunteers with experience teaching young children to play chess are eager to have children try this mental challenge on Tuesdays, 4 - 5:30 p.m. in the Mrs. Runschmunkle story time room, Children's Division. Check the library calendar as these events will have a break during the holiday season. For more information contact Cynthia Slosson at 962-2758.

Music & Movement

On the first and third Thursdays of each month, children of all ages are invited to have fun with rhythm and music at a program in the Community Room at the Outlet Mall, 5661 McWhinney Boulevard. The sessions are held and 10 & 11 a.m. Look for the blue Library flag. 962-2587.

Club 345

Children in grades 3, 4 and 5 are invited to become STREAM Investigators Thursday afternoons, 4 - 5 p.m. Crafts, science experiments, robots and much more will be offered each week. Parents with younger children are encouraged to attend the Thursday storytimes also at 4 p.m. 962-2587.

Social Worker On Site @ the Library

In an effort to serve a variety of individuals, we are partnering with Brittany Parsons of SummitStone Health Partners (SSHP). She is a licensed social worker and will hold office hours in the library, 1 - 4 p.m. on Tuesdays in the Adult Services area. Brittany's work is funded by a CABHI (Coordinated Agreement to Benefit Homeless Individuals) grant. This partnership is part of the growing trend among libraries to have social workers on site to help the homeless and others with life issues. If you know of an individual who may need assistance, please refer them to Brittany; she works with people of all ages.

Library Volunteer Opportunity

The Library Technology and Innovation Division is seeking an intern to provide customer service and help desk assistance. This may include demonstrations of library equipment and technology including 3D printers, scanners, public access computers, web browsers and Microsoft Office products. Working knowledge of MS Office, MS Explorer, the Internet, Mozilla Firefox, Windows 7 and related technology is required. Availability for afternoon and or evening hours is preferred. interested please contact Bobbi at 962-2401 or Jesse at 962-2598.

If

More Library Programs for All ages

The enclosed calendar includes brief listings of many library programs that cannot be described in detail in this newsletter. Be sure to check the web calendar at <http://lovelandpubliclibrary.org/events> for all the programs. There are craft groups, Great Ideas discussions, computer classes and movie nights for adults. An amazing lineup of after-school activities for teens has been planned as well as special programs during the winter holiday break. Some of the children's programs are described above but there are more!
