2017 in Review and the Annual Members Meeting

Members were delighted to meet our new Library Director, Diane Lapierre, at the Friends Annual Membership Meeting on January 26. Diane motivated the audience with her talk, "Your Library, Your Future: How the Loveland Public Library Informs, Inspires and Engages the Community."

Members were treated to a tasty barbeque dinner followed by the annual business meeting. We approved the 2018 budget and elected our two new board members. We also honored Susan Gagnon with the Annis Askew Volunteer of the Year Award. Be sure to read more about our new board members and Susan later in this issue.

Friends' members can be very proud of our accomplishments in 2017. We became a Better Business Bureau Accredited Charity this year, demonstrating our excellence and assuring the public that donations to the Friends are being handled responsibly and ethically. Over 800 individual members increased their support using our new membership patron levels named for favorite American authors. The book sales, always our largest fund raisers, were among our biggest ever. We sell additional books on an ongoing basis on the book cart in the library foyer on the honor system. All of those books pass through our very busy Sorting Place where scores of volunteers sort books weekly. Loveland enthusiastically welcomed Anne Hillerman to an enthusiastic audience at the Rialto Theater. The week-long included lunch with the author at Sylvan Dale Ranch and a presentation on Southwest art.

2017 in Review and the Annual Members Meeting

(Continued from p. 1)

Loveland Lights was another community success with record-breaking attendance. The Pints for the People events at Loveland Aleworks brought in some extra funds as Friends enjoyed fun and relaxing evenings together. We added 54 new bricks to the patio at the library, commemorating loved ones while raising money for library programs. Friends participated with library staff in ensuring that the library's Galleria was always full of interesting art by Colorado artists. And, we reported all of our activities in six issues of our newsletter which is distributed by mail and electronically. As a result of all this effort, the Friends enjoyed another strong year financially with total income exceeding total expenses by over \$21,000.

The Friends board provided written committee and financial reports which you can find on the Friends' website. It's awesome to be a part of the Friends of the Loveland Public Library!

Meet Our New Board Members

Ann Kasky

Ann is a Certified Public Relations Consultant and writer whose work has appeared in NoCoWellness and Colorado Life magazines. She is currently completing a degree in Communications at Regis University.

Ann's professional experience has centered on planning and executing public awareness and fund-raising events on behalf of organizations such as the Berthoud Area Chamber of Commerce, Macy's Loveland and various social causes. In her spare time, Ann enjoys exercise, reading and devoting time to writing a novel. This will be Ann's first opportunity to serve on a board of directors. While acknowledging the challenge of being a rookie on the board, she will bring fresh ideas and approaches to help The Friends achieve our goals.

Welcome, Ann!

Shawna Washam

Shawna is a professor of psychology at Aims Community College and part-time instructor at Colorado State University. She holds bachelor's, master's and doctorate degrees in psychology from Colorado State University.

While working at Aims Loveland Campus for 20 years, Shawna has served in many volunteer roles, including science fair judge and eucharistic minister at St. John the Evangelist Catholic Church. She has extensive experience as a board member, including ten years on the Loveland Public Library board and one year on the FOLPL board.

In her leisure time, Shawna enjoys quilting and knitting, martial arts and reading and is anticipating the arrival of her first grandchild in February! Shawna's demonstrated belief in the importance of the Loveland Public Library coupled with her professional and volunteer experience will serve the Friends well in the pursuit of our goals.

Welcome, Shawna!

Outgoing President's Farewell

For the last two years I've been President of the Board of the Friends. I stepped up, quite intimidated by the complexity of the organization but eager to learn. It has been great. The members of the Friends are wonderful, very willing to pitch in for the Library. Over the last two years, we have moved to a new website that we maintain ourselves and that hosts our membership information. This new site provides our dedicated Membership Committee with more accessibility and reduces their work load. Additionally, we have joined Colorado Gives Day, allowing potential donors around the state to include us in their giving. We applied for and received certification as a Better Business Bureau approved nonprofit. I didn't do these things; other members of the Friends did. But I describe these milestones as evidence of moving forward.

Of course we held highly successful recurring programs - used book sales, Loveland Loves to Read, Loveland Lights, commemorative bricks for the Library Patio. And we contributed to dozens of Library programs for patrons of all age groups.

Challenges remain. Our Sorting Place is being demolished by the City of Loveland. Because the city isn't providing an alternative location, we must find a replacement this year. We are looking for a free site in a tight real estate market; not an easy problem to solve. Another challenge is a result of changes to the tax law. As part of the nonprofit community, we are expecting less generous donations since charitable giving is unlikely to be deductible.

I am leaving the chair of the Friends Board to not one, but two competent people, Lisa Blankenship and Harry Love. So in spite of what lies ahead, you can expect a great 2018.

Outgoing President Kathy Keeler Addresses Friends at the Annual Meeting

Wanted: Old Christmas Cards

The Loveland Lights Committee needs the covers of old Christmas cards for a new craft at next year's event. If you still have your old cards from this year, please bundle them up and bring them to the library. Rubber band them together with a note, "For Friends of the Library – Loveland Lights" and turn them in at the front counter. Thanks!

Loveland Loves to Read 2018 Title Announced

You won't want to miss this year's Loveland Loves to Read event. Monday, **September 24**, Pulitzer Prize winning author Anthony Doerr will discuss *All the Light We Cannot See* at Roberta Price Auditorium.

This outstanding book was on the New York Times Best Seller List for 134 consecutive weeks. Check the Friends' website for more information and announcements. You will want to get your tickets early.

New Sorting Place Needed

In 2019, the City of Loveland will tear down the Sorting Place building at 1010 W. 10th Street and will not provide an alternate location for us. Our search for a new place has begun, but we need your help.

Our requirements are 2,000 square feet, flooring strong enough to hold heavy stacks of boxes, a loading area for taking books to the sales and free all day parking for sorters. The best time for us to move is at the end of October after the fall book sale.

The cheapest rental we have seen so far is \$26,000 per year. Our book sales net about \$50,000 annually, making that rental rate affordable. But it would drastically reduce our profits with a correspondingly shocking reduction in Library programs. We are open to suggestions from empty houses to empty warehouses. We would even consider occupying a free site for a single year.

If you have ideas, please contact Kathy Keeler, acting chair of the search committee. We would appreciate specifics, including how the space meets our requirements, addresses, owners, and contact information. And if you would like to be part of the search committee, we would welcome your help.

Annis Askew Award Winner Recognized

We are happy to announce that **Susan Gagnon** received the Annis Askew Award at the annual members meeting on January 26. Susan is a former board member and has been an active force behind our books sales for more years than anyone can remember. She is in charge of our Collectible book section. Before each sale, Susan carefully scans and assesses valuable book donations and sets up the section in an attractive way that draws shoppers who are interested in collectible books. In addition to her work at the book sales, she puts in countless hours at the Sorting Place throughout the year where many look to her for her expertise in book categories and value. She can always be counted on to brighten everyone's day with her smile and laughter.

This is the third year that Friends have recognized an outstanding volunteer with the Annis Askew Volunteer Award. The award is named for one of the pioneers of the Friends and the inaugural winner.

Susan Gagnon

Readmore Book Discussion

The Readmore Adult Book Groups meet on the first Tuesday of each month at 9 a.m. and 6:30 p.m.; and on the following Wednesday at 9 a.m. in the Erion Room. For questions, call Caroline at Adult Services, 962-2402. Complete schedules are available at the Adult Services desk and are subject to change.

Our **February 6 & 7** novel is Penelope Lively's *How It All Began*, "a chain reaction comedy of chance and change," according to Booklist, that starts with a mugging and ends with laughter.

March 6 & 7 bring a more serious turn with Simon Wiesenthal's *The Sunflower: On the Possibilities and Limits of Forgiveness*. This study of justice, compassion and responsibility includes the thoughts of the Dalai Lama, Primo Levi, Cynthia Ozick and more.

Save the Dates!

Heads-up on one of our biggest fund-raising events of the year: **Our biannual used-book sale is only a few short months away!** You can participate in three ways:

1. Donate your gently used books to enhance our inventory.
2. Volunteer to either sort books at the Sorting Place beforehand or to work at the sale itself.
3. Invite your friends to join you as you shop at one of Northern Colorado's biggest and best used-book fairs.

Remember to mark **April 20 - 22** on your calendar...and we'll see you at The Ranch!
