FRIENDS' SPRING USED BOOK SALE

McKee 4-H Building at "The Ranch"

HOURS: Friday, April 26th 4pm to 8pm Members Only Preview Sale
(Memberships may be purchased at the door.)

Saturday, April 27th 9am to 4pm

Sunday, April 28th 11am to 3pm \$5.00 Bag Day

The Friends of the Loveland Public Library Spring Used Book Sale will be held **April 27-28**, in the Thomas M. McKee 4-H Building, at "The Ranch" Larimer County Fairgrounds and Events Complex, Interstate 25 and Crossroads Blvd., exit 259 in Loveland. The Members Only Preview Sale is on Friday, **April 26** from 4-8 p.m.

Over 60,000 books in 60+ categories, along with music CD's, movie DVD's, books on CD and cassette tape, and other non-book items will be on sale. Prices range from 25 cents to \$1.00 for Children's books, \$1.00 to \$2.50 for Teen and Adult books. The Vintage, Treasures and Collectibles books will be available at separate prices.

Children 12 years of age and younger attending the sale will be able to select a free book of their choice from the children's section.

As part of a "Going Green" effort, patrons are asked to bring their own paper, cloth, reusable shopping bags, and boxes. On Sunday for the \$5.00 Bag Sale, prices for these containers will be determined according to what a standard plastic grocery bag holds.

The 4-H Building has its own gravel parking lot adjacent to the building, with handicapped parking on the asphalt in front of the building. Patrons will be able to pull close to the building for loading of their purchases. Parking is free for this event.

Volunteers are needed from Tuesday, **April 23**, through Sunday **April 28**. If you are able to help with driving a rental truck, loading and unloading boxes of books, setting up, sales days' responsibilities, closing, cleanup or returning equipment to The Sorting Place, please contact Barb Franke at 203-0904, or Nancy De Lap at 669-2325 or by email at: gbfranke@msn.com or go to the CONTACT tab at: www.friendsofthelovelandlibrary.org and send an email to the Volunteer Coordinator.

A mandatory training class is required for all cashiers on the use of our new cash registers.

Success Brings Changes For Future Book Sales

Due to the Friends' successful fundraising in support of the Loveland Public Library, we are now required to collect local and state sales tax during the book sales. Tax will be charged according to the rate set by local and state governments; that rate is currently 6.5% on all purchases.

Book dealers and organizations who have tax-exempt status, or a tax certificate for resale, **must provide a copy of their sales tax license or proof of dealership from the state** to the Friends of the Loveland Public Library Foundation, Inc. **prior to checking out.** Those who do not provide a copy of the document will be subject to paying sales tax when purchasing books.

In order to make this easier for volunteers and patrons, cash registers will be purchased and programmed with these tax requirements. Tally volunteers will still tally all purchases as they have in the past and cashiers will enter that amount into the cash register to figure the tax and total due.

All book sale cashiers and backup cashiers must attend a mandatory training class on operating the cash registers. All other book sale volunteers wanting to learn how to use the cash registers are welcome to attend. Training classes as will be provided as we get closer to the book sale.

Donate Your Books To Support Our Used Book Sale!

Where? THE SORTING PLACE, 1010 West 10th Street, Loveland, CO

When? Donations accepted on Wednesdays, from 10 a.m. to 2 p.m.

After hour donations: please leave items in the blue book drops located on either side of the front doors. (The blue recycle bins are for other items, not for donated books. Thank you!)

Before donating books to The Friends of the Library, please check them one more time. Make sure you have not borrowed them from someone, or checked them out from one of the local libraries. Thousands of books are donated during the course of a week. It is difficult, sometimes impossible, to locate a book that was donated by accident. We appreciate your donations. They are the foundation of our fundraising, but we only want your donations! Thank You!

We do not accept: business, computer, or textbooks older than 3 years, Reader's Digest Condensed Books, encyclopedias, magazines of any kind, VHS movies, or music on cassette tapes.

Volunteer Email Addresses Necessary to Book Sale Success

I am investigating an online program that will enable you to sign in to a volunteer website and select a time when you would like to volunteer. ***It is vital that I have valid email addresses of people who are willing to try this for this book sale.*** If you are currently receiving the FOL newsletter by email notification, we already have a valid email address. Otherwise, the email addresses listed in our membership database may not be current, or we may not have your email address at all.

So if you are willing to try this new method for signing up for the April book sale, please let me know. I can be reached via our FOL web page: www.friendsofthelovelandlibrary.org/contact. Select ***Volunteer*** as the message category.

Give it a try so we can try to streamline our volunteer sign-up for the April book sale. I hope to hear from you!

SweetNight

The 11th Annual SweetNight at the Library held on February 9 proved to be another enjoyable evening for the community. The theme was “Bringing it Back Home in Style” as the event returned to the library after being held the past 8 years at the Chilson Center when it outgrew the old library space. The newly renovated library provided a unique and beautiful venue to hold the annual dance and silent auction.

Library Director Marcia Lewis, SweetNight Co-Chairperson Doug Stratton and Loveland Miss Valentine Madison Polansky greet SweetNight guests

The event was well attended and party-goers had a wonderful time. Bob Harris and the Bringers of Swing provided great dance music. The food, prepared and served by volunteers, was beautiful and delicious as always. Miss Loveland Valentine, Madison Polansky, welcomed guests at the door.

From its humble beginnings, SweetNight has blossomed into a community-wide Valentine's gathering and a significant fundraiser for the Friends. The funds raised at this year's event will be used for the library's Summer Reading Program.

If you have any comments about the evening or how we could improve it, or if you would like to be involved on next year's committee, please contact Doug Stratton at 970-412-4614 or email him at dougstratton@ymail.com

Friends Annual Meeting

The Annual Membership Meeting was held on Jan. 21, 2013 at First United Methodist Church. The 63 members in attendance enjoyed fellowship with each other and a delicious meal prepared by Main Street Catering. The purpose of the meeting was to approve the annual budget, elect new members of the Board and review the accomplishments of the past year.

Gemmy Brown passed the gavel of the presidency after three years of dedicated leadership. Art Grotenhuis is also leaving the Board after 8 1/2 years as Treasurer. New members approved by the membership are: Jon Kindschy (Treasurer), Jennifer Blythin (continuing as Secretary) and Ina White (Member at Large).

President Gemmy Brown honored the Board and all the volunteers whose enthusiasm and many hours of work have made 2012 a hugely successful year for the Friends. Vice-President Carol Morganti presented Brown with a bouquet of flowers in appreciation for her years of service and dedication. Marcia Lewis, Library Director, also thanked the Friends for their major contributions to the programs and extras they provide the library, all made possible by their fundraisers. (Please see the President's Annual Report in this newsletter.)

Carson Block, IT Specialist for the Ft. Collins Libraries, presented a lively and thought provoking program on the impact and future of technological advances in our libraries. Hint: books and libraries are here to stay!

The Loveland Loves To Read committee invited Alexander McCall Smith from Scotland to be the guest author for 2012. An afternoon reception for sponsors of the event was held at the library to meet the renowned author; he then entertained over 800 fans at the Roberta Price Auditorium in the evening. This was indeed a memorable event for our library. Forty volunteers worked 456 hours to make this event possible.

In its tenth year, the SweetNight Celebration entertained 180 people at the Chilson Senior Center. The silent auction netted **over \$3,000**. The Loveland Lights Celebration in its seventh year was truly a celebration! The two-day holiday event, held every year on the first weekend in December, proved to be another milestone in Friends' history. Attendance doubled the normal weekend patron count at the library – 2,013 visitors on Saturday and 948 visitors on Sunday. Adults and children made gingerbread houses. One hundred and fifty children took part in the "Find the Christmas Stocking" contest. Musical groups entertained, baked goods were sold and cooking demonstrations for special holiday foods were featured. A model railroad layout delighted children. Wood carvers, adult speakers and a children's church choir amid beautifully decorated Christmas trees made for a great weekend at the library. Forty volunteers dedicated 426 hours to make this holiday library tradition possible.

Wanted: Citizen Interested in Advising Library

There is still one vacancy on the Library Board, a volunteer advisory board that provides guidance to the Library Director and City Council on library policies, operations and future planning. If interested in applying for this position that expires in December 2013, contact Rochelle in the City Manager's office, 962-2303.

Message from Marcia

While we usually focus on upcoming library events, this is also a good time to mention some of the new or enhanced on-going services at the library.

Some changes to our main computer system now allow customers to place holds on items listed as available in the catalog. Holds can be placed on an available item just as you did before with items that were checked out. Staff will pull items daily and customers will get an email notice when the items are ready on the hold shelf. This may take some time so customers should not expect to find the requested item on the hold shelf until the notice is generated. When checking the catalog from outside the library, customers can now pay fines by credit card online so they are not blocked from renewing, placing holds or accessing databases. Persons without a library card can now apply for a temporary card online to place holds and access external databases. When you come in with proof of current address, a permanent card will be issued that will provide access to all library services.

Customers who need to borrow books from other libraries can now initiate requests online, without having to come into the library to complete the request form. The

form is on the library's website at <http://libra.loveland.lib.co.us/screens/ill.html>. The library is a partner in SWIFT, a state interlibrary loan system. For information about interlibrary loan, contact 962-2588.

This has been a frustrating year for taxpayers seeking income tax forms. The library continues to be the only place in Loveland that provides free federal and state income tax forms and the staff has fielded many questions about the delays in receiving the federal forms and instruction booklets. While library staff cannot answer specific tax questions, they will assist in locating the needed information here or online.

The City's Visual Arts Commission and The Art in Public Places program have placed seven two-dimensional art pieces in the library's Galleria. These paintings, all by Colorado artists, will be on display through November. The Library's Art Selection Committee will be placing four quarterly exhibits in the glass display cases in the Galleria this year. Sculptures by Rosetta and photographs by Jamie Bolane and Kent Gunnufson are on display in March. A new show will be on display in April with an artists' reception on Friday, **April 12** from 6:00 – 7:30 p.m. during downtown's Night on the Town.

The library has a large glass case in the Galleria where individuals and organizations may display collections or artifacts for one month. If you are interested in sharing your objects, contact Joan in Customer Service for more information. Recent exhibits have included a PEZ collection, arrowheads, model trains and teddy bears. A new display case in the Children's Division will display collections from local children too.
