## September-October, 2014 FALL BOOK SALE COMING UP

Just like the leaves that change color in the fall, we are having some changes to our Fall Book Sale coming upon **October 24, 25 and 26**. Mark your calendars and take notice of time changes for our upcoming Book Sale. Sale location is still at the Thomas M. McKee 4H Building located at the Larimer County Fairgrounds.

Friday, **October 24** will be reserved for Friends of the Library members only. Dealers who are also members of the Friends may attend, but their purchases during this time must be for personal use, not for profit. The purpose of our preview sale is to reward FOL members by giving them first chance on a level playing field - - so we ask that scanners not be used on this day. Notice the new hours for Friday's sale will be from 4-7 p.m., closing an hour earlier than previous sales.

Saturday morning, **October 25**, we have reserved special hours for our faithful dealers. From 8-10 a.m., only dealers will be admitted to shop, scan, and purchase. Scanners will be used at the display tables only. There will be no stockpiling of books to be reviewed or scanned at a later time. Only books to be purchased may be removed from display tables. We will consider any book removed by a dealer to be SOLD to that dealer. Once the general public is admitted at 10 a.m., dealers may remain but the rules regarding scanning still apply.

Sunday, **October 26** will still be "Bag Sale Day" with prices fixed per size of container. Reusable or oversize bags will be priced proportionately. All books with the exception of most vintage and collectible books will be included in this bag sale. Sunday sale hours will be from 11 a.m.-3 p.m.

We hope you will accept these changes in good spirit. We value all of our patrons - dealers as well as the general public. Loud, aggressive, or rude behavior will not be tolerated, and offenders may be escorted from the book sale and even denied entry in the future. We desire a positive shopping experience for everyone.

We always need volunteers for all phases of this book sale, set up, during the sale and cleaning up after the sale. If you are interested in helping, please contact our volunteer coordinator: Barbara Franke at 970-203-0904 or [gbfranke@msn.com](mailto:gbfranke@msn.com). If you have any questions concerning this book sale, please contact Books Sale Chairperson: Art Grotenhuis at 970-290-3899 or [grotenhuis21@gmail.com](mailto:grotenhuis21@gmail.com).

## First Ever Brats & Brews for Books – Huge Success

The inaugural Brats & Brews for Books, a new fundraising activity by the Friends, was held at the Chilson Center on Saturday, September 13. Everyone enjoyed the evening, sampling locally brewed beers, eating locally grilled brats and dancing to the music of a local band. A silent auction of items donated by local businesses and individuals added to the fun of a great Saturday evening to raise money for the library's reading programs.

All the Loveland microbreweries attended and provided samples of their brews: Verboten Brewing, Buckhorn Brewers, Loveland Aleworks, Grimm Brothers Brewhouse, Big Beaver Brewing Co., Rock Bottom Brewery and Crow Hop Brewing Co. Many provided 2 or 3 varieties of beer. Big Beaver also brought in their root beer and cider. Stout Market, using their homemade grill built from the front end of an old steel frame car, grilled the brats. Music was provided by Solomon, Lark, Tesler & Rein.

A special thank you goes to the brewers for their generous donation of beer and their time to serve it, the silent auction donors, and the sponsors for helping make the evening a success. Of course, it could not have happened without all the Friends volunteers who planned, organized and worked for the event.

As this was the inaugural event, we are seeking feedback and suggestions to improve the evening. Please email your comments to Doug Stratton at [dougstratton@ymail.com](mailto:dougstratton@ymail.com). We want to make this a great annual event!

## Loveland Loves to Read 2014

"Marvelous!", "Wonderful!", "Wow!" were some of the comments after Alexandra Fuller's presentation at the Rialto Theater on Sunday evening, **September 21**. Loveland Loves to Read's book selection for this year was her *Don't Let's Go to the Dogs Tonight*, and she proved to be a charming, engaging and thoroughly entertaining speaker. The audience roared at her tales of her family's idiosyncrasies, and they were humbled by her perspective on our freedom of speech—something that is not a right in central Africa where speaking one's mind can lead to imprisonment or death.

Author Fuller autographs her book for FOL Janice Benedict

Fuller spoke passionately about issues that matter to her—family, the environment, justice and racism. Her background and exposures to unique and sometimes frightening experiences make her who she is and provide her with the impetus to speak out without apology for her strong beliefs.

Thanks to the LLR committee and others who contributed to the success of our 11<sup>th</sup> author event. Special thanks to Barbara Haynes and Book Haven Book Store, to Shelley Widhalm for her coverage in the *Reporter Herald*, and to Tyera Eulberg for her excellent graphic design work. We also thank the Friends of the Loveland Library Foundation who fund this annual event, and our many sponsors whose support allows us to keep an incredible evening with award winning authors at a reasonable cost for the entire Loveland community.

## Kudos To:

George and Barbara Franke for their endless hours planning, setting up and managing the Friends Rummage Sale in July. Their efforts brought in almost \$2,000, which will be added to the funds for library activities and equipment. And thanks from many of us who appreciated/needed the opportunity to clean out our closets and garages!

Doug Stratton, Dale Thurman and their committee for a successful evening with Brats & Brews for Books. This new event drew high acclaims from all who attended. Thanks also to the microbreweries who provided samplings of their brews and to those who donated auction items.

## VOLUNTEER CORNER

Are you into Facebook? The Friends are in need of a social media person to manage our Facebook page--to post items on a regular basis and add things of interest to our "Friends".

Board members - We will have a few vacancies to fill on our Board of Directors for the next year. If you have a passion for books and libraries and an interest in the activities of the Friends, please consider joining us.

Someone with knowledge in selling items online - Several items have been donated to the Friends, and we need help selling them. If you have experience with posting and managing online sales, we would appreciate your expertise. We currently have a doll collection and a set of collectible castles.

Volunteers Enjoy Appetizers at FOL Appreciation Night

Our annual Volunteer Appreciation event was an evening celebration at the library this year. Our volunteers who gave 5 or more hours of their time in the past year visited with old and new friends while enjoying wine, punch and hors d'oeuvres on Friday, **August 22**. Barbara Franke, our hostess and Volunteer Coordinator, recognized many of our volunteers who made significant contributions of various types of service.

A total of 165 individuals with at least 5 hours of service to the Friends worked almost 10,000 hours. In addition, there were various high school students and Make A Difference Day Volunteers, plus others with less than 5 hours. What a difference the Friends of the Library volunteers make to the enhancement of library services through fund raising events!

Please consider signing up for any of our volunteer-run events on our website: [friendsofthelovelandlibrary.org/volunteer](http://friendsofthelovelandlibrary.org/volunteer) or by leaving a message on the FOL office voice mail: (970) 962-2712. We are especially interested in adding some younger volunteers since some of us long-time regulars are ready to take a break!

## **Priscilla's Shelf and National Reading Group Month – A Great Combination!**

October is National Reading Group Month. So if you haven't discovered Priscilla's Shelf yet, now is the time to do so! Look for the wall full of baby-blue book bags screen-printed with a portrait of the shelf's namesake, long-time Loveland resident and avid "bookaholic" Priscilla Beal.

In 2007, friends of Priscilla's raised \$8,000 to honor her and her love of literacy on her 91st birthday by buying the books and bags for the Library. In each bag, local book groups will find 10 copies of 49 different discussion-worthy titles, as well as author information, book reviews and discussion questions. The book kits check out for 6 weeks and can be renewed for an additional two weeks. The Shelf continues to grow and change, thanks to contributions to the fund through the Friends of the Loveland Public Library. The current list of book kit selections can be found on the Loveland Public Library website at: <http://cityofloveland.org/index.aspx?page=751>.

National Reading Group Month is an initiative of the Women's National Book Association (WNBA).

Founded in 1917, WNBA promotes literacy, a love of reading and women's roles in the community of the book.

Read more about the WNBA and National Reading Group Month at its website: [www.wnba-books.org](http://www.wnba-books.org).

## **Gingerbread 2014**

The Annual Gingerbread Challenge will be one of the events in Loveland Lights, scheduled for **December 6 & 7** at the Library. Gingerbread house creators are invited to bring their masterpieces for display. The competition is open to adults and children, novices and professionals.

The gingerbread creations will be located in the galleria on the first floor of the library. Judging will be done by popular vote in 5 categories – Adult Amateur, Adult Professional (chefs and bakers), Teen (13-18), Youth (12 and under), and Team (more than 2 persons of any age). Visitors will be asked to vote for their favorites.

Creators of the "houses" are welcome to donate their sculptures for a silent auction.

Call George Franke at 970-203-0904 to give notice of your intent to join the challenge.

Entry forms will be available at the library starting on **October 1**.

**Gingerbread Workshop 9 a.m. to 12 noon – November 1** – in the Gertrude Scott Room at the library. Ann Kessler and Karen Johnson will teach the basics of gingerbread. Individuals and families are welcome. You can bring your own kit (available in grocery stores) or make a donation for the supplies prepared and provided by our instructors. Please register for the event by calling George Franke at 970-203-0904. Registration must be submitted no later than **October 25** in so that we can be prepared for participants.

## A Gathering Of Nuts For Christmas

From 2-5 p.m. on Saturday, **November 8**, there will be a craft workshop for artsy/crafty persons and artsy/crafty “wannabes” in the Gertrude Scott Meeting Room. The main purpose is to make nut-themed Christmas ornaments for the Friends’ Loveland Lights program in December. The secondary purpose is to have a fun time for Friends of the Library adult volunteers and friends to get together and get to know each other better. We will be using various nuts and nutshells, glue, ribbon, yarn, wire, cardboard and other assorted craft supplies to fashion the ornaments that will adorn a Christmas tree in the library.

The nut tree will complement this year’s Loveland Lights theme of Nutcrackers. If we have enough participants and supplies, everyone will be able to take some ornaments home too. There will be hot cider and cookies to get us in the pre- holiday spirit!

If you have a great idea for a nut craft ornament that you would be willing to share/demonstrate, please contact Barb Franke by **November 5** so we will have time to gather all the needed supplies.

Participants who own hot glue guns or Dremel tools may bring them to the workshop. Questions? Call Barb Franke 970-203-0904.

## Loveland Lights 2014

The weekend of **December 6 & 7**, the Friends of the Loveland Library will celebrate its annual Loveland Lights event. This year's theme is *The Nutcracker*, A Winter Holiday Tradition. The library will be adorned with decorated holiday trees and the Galleria will be filled with creations entered in the Gingerbread Challenge.

There will be activities for all ages throughout the weekend including a holiday book & bake sale, a model railroad, nutcracker displays and musical entertainment.

Saturday’s activities include a presentation by Kevin Cook, children’s & teen’s gingerbread workshops, the Holiday Food & Gift Giving venue, and a computer class for creating greeting cards.

On Sunday, the children will again have the opportunity to make gingerbread houses and teens will keep busy making

DIY holiday projects.

Throughout the weekend, children will scour the stacks in the library looking for Nutcrackers, in the "Find the Nutcracker" contest and musical entertainment will add a festive spirit. All activities are free.

## Message from Marcia

This summer, the library began a pilot project that focused on outreach and collaboration to improve the motivation and reading skills of elementary aged children. In conjunction with *Kids Read*, a local nonprofit organization dedicated to children becoming life-long readers, Lago Vista Mobile Home Park, students at UNC and the Thompson school district, we developed a program using adult Buddy Readers and the Kids Read Game to help children with reading.

The results of this pilot project include:

- The Kids Game Kits were lent to families, volunteers and anyone in the community. 74 families attended Kids Read Parent and Me game events.
- 67 Buddy Reader volunteers were trained and logged over 240 hours.
- 162 young readers participated in 479 Buddy Reading sessions at 3 sites (Lago Vista, B.F. Kitchen Elementary and the library.)
- 98% of the children felt that playing the Kids Read game made reading fun and 75% gained a positive perception of reading.

Thanks to funding by the Friends of the Loveland Library, the library staff and *Kids Read* will continue this fall with three family Kids Read Game times on **October 11** at 10 a.m., **November 3** at 5:30 p.m. and **November 14** at 5:30 p.m. Students in grades 2 – 8 can drop in to play the Kids Read Game with Buddy Readers on Thursdays from 4 – 5 p.m. Stop by the Children's Desk to learn more.

We are excited that this project was a success and will continue to grow. We would like to have more Buddy Reader volunteers. If interested please contact the Children's Outreach Librarian at 962-2758.
