Book Sale Bargains Are Back!

It's autumn - and that means golden aspen, bugling elk, and pumpkin spice everywhere, *everywhere*. It also means that it's time for MORE fantastic finds at our biannual used-book sale!

Generous donations from the public as well as from booksellers have once again filled our storage house to the brim, so this sale is projected to be among our largest with over 50,000 books. And because all of our books are in good to excellent condition (some are even brand new), this is a great time to begin your Christmas shopping while refreshing your own bookshelves. Here's what you need to know:

As usual, the sale will be located in the Thomas M. McKee Hall at The Ranch. Members of the Friends of the Loveland Library are welcome to attend our pre-sale on **Friday, October 27**, 4 - 7 p.m. Not a member yet? No problem! You can purchase a membership at the door. See our website for details. Also, as a courtesy to our shoppers, we ask that *no scanners* be used during our Friday hours.

The sale is open to the public on **Saturday, October 28**, 10 a.m. - 4 p.m., and again on **Sunday, October 29**, 11 a.m. - 3 p.m. As an added bonus, Sunday will be regarded as "bag day" - fill a standard-size plastic grocery bag with books (not including vintage) for only \$5. Larger bags will be priced accordingly.

And remember: you're supporting the Loveland Public Library by participating in our sale. We thank you for your patronage and we look forward to seeing you there!

Loveland Lights Ushers in the Holiday Season

Saturday, **December 2** (9 a.m.- 5 p.m.) and Sunday, **December 3** (1 - 4 p.m.) Loveland Lights, sponsored by the Friends of the Loveland Public Library, will transform the library into a winter wonderland featuring decorated trees, various crafters, local musicians, authors, and activities and entertainment for kids of all ages. The always-popular gingerbread house workshops will be held in the children's storytime room. Details about the workshops and the "Winter House" Competition can be found on the Friends' website: <https://friendsofthelovelandlibrary.org/resources/Documents/Winter%20House%20flyer.pdf>.

The theme for this year is "Holiday Traditions Around the World." Children will be issued a "passport" and will explore and learn about how different countries celebrate the holidays. There will be country stations around the library to explore. After visiting each station, "passports" will be stamped. A surprise awaits all who complete their travels.

The Friends will host a holiday book and bake sale and are encouraging participants to bring non-perishable food items to donate. Children's book authors Joanna and Eric Johnson, Kelly Shepherd, and Ellen Javernick will display, sell and sign their books - a great opportunity for grandparents to do their holiday shopping. Several area school choirs will appear and Lia Rudeen, a budding young harpist will also perform. A Kwanzaa storyteller will add to the festivities.

People of all ages will enjoy this event to begin their holiday celebrations.

Volunteer Opportunities

Loveland Lights 2017 is just around the corner! Our theme this year is "Holiday Traditions around the World" and will be celebrated at the library on **Saturday, December 2** and **Sunday, December 3**. We are looking for volunteers to help us make this year's event our best yet. If you would like to help us out with:

- *becoming a member of the committee
- *donating baked goods
- *helping at the Holiday book sale
- *working with children on gingerbread houses
- *front desk greeters
- *setting up and decorating the Christmas trees throughout the library (This happens the week before our Loveland Lights weekend.) We also will need help taking them all down and packing them up for next year.
- *volunteering wherever needed

Loveland Loves to Read – Success & Gratitude

A big Thank You! to everyone who helped make our 2017 Loveland Loves to Read week a success. The Rialto Theater was almost sold out for our author event. Anne Hillerman stole the hearts of Loveland readers as she shared the background of *Spider Woman's Daughter* and working with her father, Tony.

Generous donors exceeded our expectations. Thank You!

The book discussion groups at the library were well attended and enthusiastic.

Special thanks to the Jessup Family and their staff at the Sylvan Dale for hosting Anne and providing a delicious buffet for our luncheon with the author. Anne warmed our hearts again with stories of her family and future writing plans.

Dr. Peter Jacobs shared insights and history of Southwest Art at the library. The 46 attendees gained an appreciation of Navajo weaving, pottery designs and Native American jewelry.

The week concluded with the showing of *A Thief of Time*, drawing an audience of 38 people. This and other movies based on the Tony Hillerman books can be checked out from the Library. Anne's talk at the Rialto will also be available for check-out at the Library. You can keep up with Anne's work at www.annehillerman.com. For your fan mail or notes of thanks, email to anne@annehillerman.com.

Heartfelt Thanks to all!

We will preview the **Borodin Symphony II** on **November 13** at 6:30 p.m. Let this Russian composer take you on an aural expedition to Central Asia, with exotic melodies, brash chords, and lively dance-like sections. 962-2401

Upon presenting a certificate of completion, parents receive a Baby Box containing a mattress, fitted sheet and a goodie bag of diapers and breast pads. Babies can sleep in these baby boxes for up to 6 months, so it makes a great first bassinet as well. The program is open to all expectant parents.
