## Fall Used Book Sale

(Continued from p. 1)

Children 12 years old and younger may pick out a free book from the children's section. There will be an activity table with crayons and coloring pages to keep youngsters busy while their parents shop for books.

For our "Going Green" effort, please bring your plastic, paper, cloth, reusable shopping bags, and boxes to the sale.

On Sunday, books and non-book items will be available for \$5.00 per standard plastic grocery bag; to include some books from our Vintage, Treasures and Collectibles category. Containers other than a standard plastic grocery bag will be on display with their respective prices.

The McKee 4-H Building has a gravel parking lot adjacent to the building. Handicapped parking is available on the asphalt in front of the building. Patrons may pull up next to the building to load their purchases. Parking is free for this event.

Volunteers are needed from Tuesday, **October 22**, through Sunday **October 27**. If you are able to help with driving a rental truck, loading and unloading boxes of books, setting up, sales days' responsibilities, closing and cleanup, returning equipment to The Sorting Place, please contact Barb Franke at 203-0904, or go to our website: [www.friendsofthelovelandlibrary.org](http://www.friendsofthelovelandlibrary.org). Under the CONTACT tab send an email to the Volunteer Coordinator.

## Book Sale Venue Rates Going Up In 2014

“The Ranch” Larimer County Fairgrounds notified The Friends of the Loveland Public Library of rental rate increases for the

McKee 4-H Building in 2014.

Excerpts from the notification letter: “Events booked after April 2014

will be booked under the following category and rate package ..., giving your organization time to budget for the rate increase. The organization will be charged **\$75 for the first event day and \$450 each consecutive event day**. Ancillary rentals will be billed as additional costs based on event needs.”

**What does this mean?** We are currently paying \$325.00 for rental of the Thomas M. McKee 4-H Exhibition Halls, three meeting rooms, plus a phone line for the credit card machine for the five days of the book sale (Wed.–Sun.). In the future we will be paying at least \$1,900.00 for the Exhibition Halls and the phone line for the same 5 days. (We don’t currently know what the cost will be to rent the three meeting rooms for the five days.)

Unfortunately, in order to cover the cost increase we need to raise the price of books and non-book items. The book sale committee has been brain-

storming, and we will check the prices of other book sales in the area, hoping to come up with reasonable price increases. We do know that the Sunday Bag Day will stay at \$5.00 per standard plastic grocery bag.

## Sales Tax Reminder

Due to our successful fundraising in support of the Loveland Public Library, we are required to collect city, county and state sales tax during our book sales. Tax will be charged according to the rates set by these governments.

Book dealers and individuals who have tax-exempt status, or a tax certificate for resale, **must provide a copy of their sales tax license or proof of dealership from the state**, to the Friends of the Loveland Public Library Foundation, Inc. **prior to checking out**. If you do not provide a copy of the document, you will be subject to paying sales tax when you purchase your books.

## Donate Your Books to Support Our Used Book Sale!

**Where? The Sorting Place,**  
1010 West 10th Street,  
Loveland, CO 80537

**When?** Donations accepted on Wednesdays, from 10 a.m. to 2 p.m. After hour donations: please leave items in the blue metal book drops located on either side of the front doors.

***Please return library books to the library!***

## Book Donation Reminder

Before you donate books to the Friends of the Library, **please check them one more time**. Make sure you have not borrowed them from someone, or checked them out from one of the local libraries. We receive thousands of books during the course of a week. It is difficult, sometimes impossible, to locate a book that was donated by accident. We appreciate your donations; they are the foundation of our fundraising. But we only want **your donations!** Thank you!

**We do not accept:** business, computer or textbooks **older than 3 years**, Readers’ Digest Condensed Books, encyclopedias, magazines of any kind, VHS movies or music on cassette tapes.

**Due to copyright laws, we cannot accept:** dubbed or copied music CDs or DVDs.

## Celebrating Our Volunteers!

On Saturday, **August 17**, our many volunteers were treated to a brunch provided by A Catered Affair with Connie. President Carol Morganti expressed appreciation for the many talents and hours given to make our Friends of the Library so successful. Barbara Franke, Volunteer Coordinator, shared the numerous ways that volunteers have contributed and provided all with some inspiring quotes.

She especially honored the following members: Kathy McMillan for her extra care in preparing the children's books for our book sales; Marcia Wiener for her willingness to go the extra mile at the book sales; Gene Fender for his accepting multiple tasks each week at the Sorting Place; David Blythin for expertly preserving all of the Friends' events with his camera; Jon Kindschy for assuming the role of Treasurer and dealing with some unexpected challenges; and Doug Stratton for his leadership in organizing SweetNight.

Past President Gemmy Brown was presented with a beautiful crystal vase, inscribed with words of appreciation from the Friends.

Marcia Lewis, Library Director, expressed her appreciation for all that the Friends have accomplished and contributed to the Library and the community.

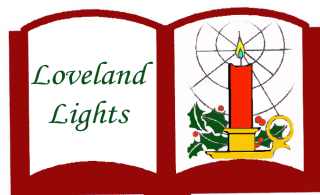

Special thanks go to Barbara Franke for putting together this enjoyable annual event.

"How do we measure the value of volunteers? Like treasured books, they are priceless!"

***FOL Volunteers enjoy an appreciation breakfast at the Chilson Senior Center on August 17.***

## Loveland Lights, 2013

Loveland Lights, a Celebration of Winter Holiday Traditions, will be held Saturday **December 7** and Sunday **December 8** at the library.

The Loveland Lights Committee is already busy lining up activities for this year's event, which is all about SNOWFLAKES. An annual favorite, the Gingerbread Challenge, will take place in the Erion Room at the library.

Due to popular demand, we will offer more sessions of the Gingerbread House Workshops for children on Saturday and Sunday, as well as a workshop for teens on Sunday. Connie Neumann will present a family orientated hands-on program titled Laura Ingalls Wilder's Christmas Memories.

The Holiday Food Demos will offer tasty ideas for your holiday parties. Santa will make an early appearance at the library to read by the fireplace to children. The Holiday Book & Bake Sale will take place both Saturday and Sunday or until sold out. And to get you into the holiday mood, there will be musical entertainment throughout the weekend.

We are working hard to adorn all the nooks and crannies of the library with decorated holiday trees for the month of December. We are in need of clubs/businesses/organizations that would be willing to provide a decorated tree for the month. Please contact Betty Hill (970) 622-0931 if you know of any group that may be interested.

Look for a schedule of events in the next newsletter and at the library starting in early November.

Loveland Lights Chair
